

Due to the Covid-19 pandemic and the precautions recommended by the international and national Health Agencies, we have chosen, at the moment, to postpone the event *Elasticidade na Escuta do Mais Além*, scheduled for the 5th and 6th of June, to the 6th and 7th of November this year, that is, still in 2020, at the IMED auditorium (Faculdade Meridional, located at 1020, Dona Laura St, MontSerrat - POA / RS).

We hope that we can all, at the end of these troubled times, have the opportunity to meet and to think together about the matters and issues related to psychoanalysis that are so dear to us.

We believe that, after moments of crisis such as the one we are currently experiencing, it will be very important to invest in face-to-face meetings that enhance our thinking and our joy in life. As long as, of course, being together does not involve any risks to our health.

If, even then, there is still any indication of the need to a cancellation, we will not hesitate to choose this option, believing that in the near future we will have new opportunities to share affection and knowledge.
